

COLLEGE COMMUNITY DAY

THURSDAY, FEBRUARY 9, 2017

Come by and visit us during College Community Day to learn more about Blackboard Tools and Accessibility. See your packet for your scheduled time for Break-Out Sessions.

USING BLACKBOARD TOOLS TO SUPPORT STUDENT SUCCESS AND RETENTION

CENTRAL ILC C1.219

This presentation will focus on student success and retention through the identification of at-risk students, intervention with those students, and follow-up monitoring supported by tools that report activity in Blackboard. Tools covered in the module are the Retention Center, Performance Dashboard, Course Reports, and Grade Center.

GETTING STARTED WITH ACCESSIBLE COURSE DESIGN

CENTRAL ILC C1.228

Join the Accessibility Services and Educational Technology departments as they partner to present information on the College services available to support students. The presentation will include an overview of the most common accommodations and what they mean for your class, as well as course design adjustments you can make in your Blackboard course sites to improve the experience for all students.

FRAMEWORK FRIDAYS

EdTech is offering trainings during Framework Fridays on each campus from 9:00 am - 11:00 am. Training topics to be offered are listed below. Detailed class descriptions and registration is available through the [Cornerstone System](#).

ETID 1316: ACAdemic Success and Retention

ETID 1320: Getting Started with Accessible Course Design

ETID 1321: How Course Mapping Can Help You Develop A Course

BKBD 9098: GradeCenter 202: Beyond The Basics

DISTANCE LEARNING CERTIFICATION

All faculty assigned to teach a Distance Learning course must complete ACAdemic Learning prior to their assigned semester. Dates are now available through Summer 2017. Registration is available through the [Cornerstone System](#).
