
Wordpress MU

Logging In

This document outlines the detailed information related to logging into a user account on the Wordpress Mu server, hosted by San Jacinto College.

Brief Instructions

- Access the login screen.
- Provide appropriate username and password.

Process Complete.

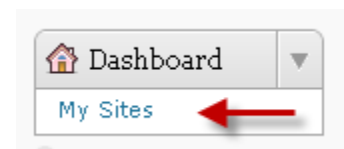

Detailed Instructions

1. Access the Wordpress MU login page: <http://blogs.sanjac.edu/wp-admin>.

2. Enter the necessary login information in the fields provided:
- a. Username – firstname.lastname
 - b. Password – SJC network password

3. Once logged in, you will be taken to the default blog for your user account. If you are a member of multiple blogs and would like to access a blog other than the default for your account, locate the “Dashboard” menu on the left side, expand the menu, and choose the “My Sites” link.

4. From the “My Sites” menu, locate the blog you wish to access and choose the “Dashboard” link for that blog.
