Logoff of San Jac PC Computer

For all college employees, this document describes how to log off of a San Jac PC computer.

Brief Details

After saving all needed data and closing any applications,

1. Press the *CTRL + ALT +DEL* keys on the keyboard
2. Click *Log Off*.

If you will be coming back to the computer soon, you may opt to click *Lock this Computer* to require your username and password be entered before the machine may be accessed again.
